WOOD BADGE

Bring out your inner Beagle Scout

HERE'S THE PLAN, CHARLIE BROWN

Wood Badge participants will gain valuable leadership skills including effective listening, communication, conflict management, project planning, and leading change. (Yes, even Lucy leaves with something new.)

This course uses the Patrol Method, so you'll solve problems and learn as a group. No one has to carry the team on their own, not even Snoopy.

WHY WOOD BADGE?

Wood Badge is an advanced leadership course for adult volunteers. You'll learn leadership skills, team-building, and Scouting values through trainings, activities, and discussions.

The course is held over two weekends, and you'll complete a personal action plan called a "ticket" within 18 months.

Come see why Wood Badge is called the most fun a leader can have in Scouting!
